- ✓ Seven most common lies about success. Dental Economics, March 2001. An article to reduce the desire of dentists to condemn other practitioners and to desire unity in the profession.
- ✓ I Guess I have a Low-Tech Practice. Dental Economics, December 2001. Technology can never replace a kind, caring, and compassionate dental team.
- ✓ I can’t believe what I hear. Dental Economics, February 2001. Written to persuade dentists to focus more on the positive aspects of life and practice and to complain less about staff, patients, and other dentists.
- ✓ Dumb ideas...for most practices. Dental Economics, December 2000. An article written to keep away from idealistic, often impractical ideas

And others in various journals...other articles awaiting editorial processing.

Recent Presentations

Over 100 lectures in many different venues including the follow examples and topics

- * “Success = Where preparation meets opportunity... The highly efficient practice” Western Regional Dental Conference 2011, Midcontinent Dental Meeting 2011
- * “Planning to Preparation to Placement... Perfecting the Art of Cosmetic Porcelain Restorations” Jamaican Dental Society annual meeting 2011, Western Regional Dental Conference 2011, Midcontinent Dental Meeting 2011
- * “Excellence in Digital Photography...A Great Way to Become a Better Dentist.” for various meetings and study clubs including American Academy of Cosmetic Dentistry (AACD), American Society for Dental Aesthetics (ASDA), Arizona Dental Association (ADA), Greater St Louis Dental Society Mid-Continent Meeting, Academy of General Dentistry (AGD), MasterTrack courses Indiana AGD & Pennsylvania AGD, Missouri AGD.
- * “From Planning to Preparation to Placement...Perfecting the Art of Porcelain Veneers”, lecture and hands on courses: American Academy of Cosmetic Dentistry (AACD) annual meeting, New Orleans, LA 2008, Hawaii 2009,

- Dallas 2010; Arizona Dental Association annual meeting, Phoenix, AZ 2009; American Society for Dental Aesthetics, Palm Desert, CA 2007, Hollywood, FL 2009; Pacific Dental Conference, Vancouver, BC 2010
- * "Excellence in Digital Photography", Members pearls, American Academy of Cosmetic Dentistry (AACD) annual meeting, New Orleans, LA 2008
 - * "Using digital photography to enhance dental skills" for the Academy of General Dentistry, Center for Aesthetic Restorative Dentistry, Greater New York Esthetic Study Group, Queens Dental Society, American Society for Dental Aesthetics, American Academy of Cosmetic Dentistry, Greater St Louis Dental Society, and other study clubs and esthetic groups.
 - * "CAD/CAM restorations – from back to front" Academy of General Dentistry, American Society for Dental Aesthetics 2006-2009, and others
 - * "Immediate Implant Loading with CAD/CAM CEREC Restorations" lecture for American Society for Dental Aesthetics, October, 2005
 - * "Implant Restoration with All Porcelain Crowns" for St Louis Area Computerized Dentistry Study Club, September, 2005
 - * "Efficient Quadrant All Porcelain Dentistry" lecture for St Louis Area Computerized Dentistry Study Club, May, 2005
 - * "Restoration of Endodontically Treated Teeth Used CAD/CAM Correlation" St Louis Area Computerized Dentistry Study Club, January, 2005
 - * "Design and Fabrication Principles for Anterior CAD/CAM Veneers" St Louis Area Computerized Dentistry Study Club, November, 2004
 - * "All Porcelain CEREC Anterior Restorations with Staining and Glazing" St Louis Area Computerized Dentistry Study Club, September, 2004
 - * "Efficient Preparation, Design, and Fabrication of All Porcelain CAD/CAM Restorations" St Louis Area Computerized Dentistry Study Club, January, 2005
 - * "Digital Photography, PowerPoint, and Case Presentation" AGD Mastertrack program, St Louis University, November, 2003
 - * Efficiency and Computerized Dentistry, Kentucky AGD, September, 2003, Austin Peay University; July, 2003 ASU, Phoenix, AZ
 - * Clinical Efficiency with Computerized Dentistry, AGD, Nashville, TN, June, 2003
 - * Digital Photography and Computerized Dentistry: St Louis, May, 2002; Kansas City, August, 2003
 - * Efficiency in Clinical Practice; St Louis, February, 2003 – sponsored by Patterson Dental and Bender, Weltman, Thomas CPA
 - * Missouri Academy of General Dentistry; St Louis, April, 2002 – "Advanced posterior restorative techniques", CEREC Quality Dentistry
 - * Bender, Weltman, Thomas annual lecture; St Louis, MO, October, 2001 – "Efficiency in Dental Practice – Reducing overhead with practice management"
 - * Patterson Dental lecture; St Louis, MO, January, 2002 – "Efficiency in Dental Practice – Effective and Predictable clinical dentistry"
 - * Table clinic at Hinman meeting, Atlanta, GA 1988 – "Rehabilitation of edentulous ameloblastoma patient using 8 mandibular root form implants"
 - * Table clinic at Midwinter meeting, Chicago, IL 1987 – "Complete maxillary rehabilitation for congenitally missing teeth"
 - * Various lectures for Patterson Dental on anterior and posterior CEREC restorations
 - * Various study club and other dental presentations teaching efficiency in posterior porcelain restorations, composites, practice management, and orthodontics in general practice.

Extracurricular Activities

- * MasterTrack – CE Chair, Academy of General Dentistry, Missouri (2003-present)
- * Former head of Greater St Louis area Computerized dentistry and CEREC study club (2003-2008)
- * Greater St Louis Dental Society committee for scientific meetings (2010-present)
- * Rockwood School District guest speaker: Junior Achievement Instructor, Middle School guest lecturer on Microbiology, elementary school speaker for National Dental Health Month. Meramec Valley High School annual lecture to seniors interested in health care careers
